Locks

Gate Lock

There are two locks on the gate – the silver key goes to the small padlock.

Barn Door Lock

To Unlock: insert the large key, turn to the right and pull outward.

To Lock: insert the large key, turn to the left while pushing inward. Make sure that the plug that the key inserts into stays in when pulling out the key.

Sliding Door Locks

Use the small silver key to unlock the padlocks on the big sliding doors.

Make sure all locks are locked in place before leaving.

Lights

The light switch is to the right as you come through the door. This turns on the lights in the kitchen area. The rest of the lights are turned on using the switches by the sink. Each set of string lights has its own dimmer switch – a very small black slider to the right of each switch. **Please turn all lights off when leaving.**

Water

Water is available at the sink inside the barn, as well as via spring-loaded pump on the west-side of the barn (to the right of the front door). Both water sources are potable.
