Please Circle what this drawing represents:

SANITARY SEWER

STORM SEWER

FOUNDATION DRAIN

WATER SERVICE

Draw the area of the foundation, showing its orientation due north. Draw the Sanitary Sewer, Storm Sewer, Foundation Drain and the Water Service from the public connection to the foundation. Label all changes of direction for the storm and sanitary sewer piping. Label the storm and sanitary as it connects to the public sewer stubs. Also provide the depth of the storm and sanitary sewer at the public sewer connection.
