Library usage survey online through May 15

The Wilsonville Library is inviting its patrons to visit LetsTalkWilsonville.com before May 15 to take a short library usage survey.

The Library was in the midst of gathering information to inform the Master Plan update last spring when the pandemic hit.

A lot has changed in the last year, both in the world and at the Library. To better understand how this has affected patrons and to ensure that Library resources are allocated properly to meet future need, we are asking library users to let us know about ways in which their Library use has been altered by the events of the last year.

Learn more and complete the 5-10 minute survey at:
