I. Background

The Wilsonville Community

The City of Wilsonville serves as a gateway between the Portland metropolitan area to the north and the agricultural lands of the Willamette Valley to the south. The City straddles I-5, has excellent freeway access, and is close to the I-205 interchange. Over 60% of Oregon's population lives within 50 miles of the City. All these factors make Wilsonville an attractive employment hub, with over 800 local businesses, and one of Oregon's most rapidly growing cities with over 26,500 residents. Throughout its growth, the City of Wilsonville has benefited from thoughtful planning, high development standards, and a beautiful natural environment.

Police Department

The City of Wilsonville Police Department is a contract service through the Clackamas County Sheriff's Office. It provides services 24 hours a day, seven days a week, to the community of Wilsonville—which includes its residential and business populations, as well as visitors to the area and recreational sites. Current staffing includes the Chief of Police, one School Resource Officer, one Behavioral Health Clinician, one Community Service Officer, three Sergeants, two detectives, two traffic units, and 12 deputies.

Parks & Recreation Department

Parks and Recreation Administrative/Community Services oversees and organizes a wide variety of programs and community events, and manages the use and rentals of the City's park facilities, the Community Center, sports fields and the community garden. The Community Center serves as a hub for a variety of programs that feature classes and drop-in activities, a senior meal program, social services, health clinics, a fitness studio, multipurpose rooms, and a computer lab. Administrative/Community Services are also responsible for management of community service grants, special event production, the planning, and development of current, and future park and recreational facilities and staff support to the Parks and Recreation Advisory Board, the Arts, Culture and Heritage Commission, the Kitakata Sister City Advisory Board, Wilsonville Community Seniors Inc., and the Korean War Memorial Foundation of Oregon. Parks and Recreation Department Administrative/Community Services consists of 10.45 full time equivalent employees (FTE).

Existing Conditions

The City owns two parcels (5.3 acres) of land on the northeast corner of the intersection of Wilsonville Road and Town Center Loop East which includes the Public Works/Police building, the Parks and Recreation Department's Community Center, the Kiva and Art Tech building which served as a former school. This area is considered the Community Service Block.

The Public Works and Police Departments are currently housed in the same building at 30000 SW Town Center Loop East. The building is approximately 8000 square foot two story building which was initially designed as the original City Hall. At the time of its original construction it did not include a police department. Although the building has been remodeled to "fit" its occupants, Public Works and Police, the changes made have been small and no major renovation has taken place. Key aspects regarding security and accessibility were not addressed, and the current layout is unsatisfactory. The building does not meet the seismic risk

category IV standards for emergency services. Public Works has a new facility currently under construction and will be vacating the shared building in early 2024.

The Community Center building was built in 1985 and remodeled four different times. The one story, 9688 square foot building hosts classes, events, and recreational facilities for seniors. The building is equipped with a commercial kitchen, has an outdoor covered patio and a pedestrian bridge connection to the Creekside Woods Senior Apartments.

Parks and Recreation Administrative/Community Services staff are housed at two different locations; Community Center and the current Parks and Recreation Administration Building, which is approximately ¼ mile to the northwest of the Community Services Block. It would be beneficial to have most, if not all of the Administrative/Community Services staff at one location.

The Kiva and Art Tech buildings, 10,762 and 7,280 square feet, respectively, are located at 29796 SW Town Center Loop East. These buildings were originally built as a church and associated offices and school. The buildings are owned by the City of Wilsonville and, up until June 2021, were leased by West Linn/Wilsonville School District. Due to structural issues, the City anticipates demolition of the Kiva building. The adjoining Art Tech building will remain and currently houses Wilsonville Community Sharing as a temporary tenant of a portion of the lower floor.

II. Scope of Work

The selected consultant will prepare a needs assessments, gap analysis, programming alternatives, and resulting in a Community Service Block Master Plan. Written Evaluation

Based on their evaluation, each member of the Selection Review Committee will score each Proposal according to the following scoring criteria. Each member will rank, in descending order, each Proposal by total score.

EVALUATION CRITERIA

Criteria	Maximum Score
Introductory Letter	Required
Project Understanding	10
Project Approach	30
Proposer’s Experience	20
Project Team Experience	25
Cost Effectiveness	15
Project Schedule	Required
<u>Acknowledgment of Profess. Service Agreement</u>	<u>Required</u>
Total	100 Points

In addition to the above weighted scoring criteria, feedback from provided references will also be considered and may be determinative in the selection process. References will not be scored but will be considered and may be a deciding factor.

Interview Evaluation

If determined to be necessary or desirable by the City, finalists from the written evaluation may be invited to participate in an additional interview evaluation process. The number of finalists will be determined by the Selection Review Committee. The interview evaluation process will provide an opportunity for Proposers to make a presentation to clarify their Proposal and for the Selection Review Committee to ask additional questions related to the Proposal and Scope of Work. The City will notify finalists of the interview evaluation time and location and allow for a reasonable period of time for finalists to prepare presentations.

After the interviews, each member of the Selection Review Committee will re-evaluate and re-score each finalist interviewed according to the Evaluation Criteria. Each member will rank, in descending order, each interview by total score.

Successful Proposer Determination

The Proposer with the highest overall ranking, as determined by the Selection Review Committee, shall be identified as the Successful Proposer. Those Proposers selected for interviews will be based on the Proposals with the highest overall ranking.

The Proposer with the highest overall adjusted ranking, as determined by the Selection Review Committee, shall be identified as the Successful Proposer.

The City reserves the right to perform additional investigations of any Proposer, including communication with licensing authorities, former clients and references, and other means as the City deems appropriate, and may reject any Proposal upon finding a record of Proposer's substandard workmanship.

The Selection Review Committee shall determine the final ranking of Proposers, and the Committee's decision is final. Upon determination of the Successful Proposer and performance of additional investigations, the City will issue a Notice of Intent to Award letter notifying all Proposers of the City's selection of a Successful Proposer and protest procedures.

The City reserves the right to negotiate a final contract that is in the best interest of the City. With regards to the Professional Services Agreement, the City will only negotiate those provisions that were noted as Exceptions in the Proposal. The City will attempt to reach a final agreement with the Successful Proposer. The City may, in its sole discretion, terminate negotiations and reject the Proposal in the event agreement cannot be reached. The City may then attempt to

reach final agreement with the next highest ranked Proposer, and so on with the remaining Proposers, until an agreement is reached. In the alternative, the City may at any time elect to reject all Proposals and begin the RFP process over.

After the City has reached final agreement with the Proposer, the Selection Review Committee will make a recommendation to the Wilsonville City Council, for contracts over \$100,000. The Wilsonville City Council will then make the final contract award decision.

Award protests shall include “Community Service Block Master Plan – Award Protest” in the subject line or written on the front of the envelope. The written protest must be received by the City no later than seven (7) calendar days after the date the Notice of Intent to Award letter was issued. The protest should demonstrate that all higher ranked Proposers failed to meet the requirements of the RFP or are not qualified to perform the services described in the RFP. Protests received after the submittal deadline will not be considered.

No contract associated with the RFP will be awarded until any protests have been resolved. The City will evaluate and resolve all award protests submitted before the deadline within a reasonable time following receipt of the protest. The City will promptly issue a written decision on the protest to the Proposer who submitted the protest. If the City’s written decision on the protest results in a change to the RFP, the City shall cancel the Notice of Intent to Award, revise the RFP documents accordingly, and solicit for new Proposals. The City’s decision regarding the protest is final and concludes the administrative appeals process.

Consultant shall furnish other engineers, subcontractors and affected public utilities, whose designs are fitted into Consultant's design, detail drawings giving full information so that conflicts can be avoided.

9.3. Consultant shall include this Agreement by reference in any subcontract and require subcontractors to perform in strict compliance with this Agreement.

Section 10. Consultant Is Independent Contractor

10.1. Consultant is an independent contractor for all purposes and shall be entitled to no compensation other than the Compensation Amount provided for under **Section 4** of this Agreement. Consultant will be solely responsible for determining the manner and means of accomplishing the end result of Consultant's Services. The City does not have the right to control or interfere with the manner or method of accomplishing said Services. The City, however, will have the right to specify and control the results of Consultant's Services so such Services meet the requirements of the Project.

10.2. Consultant may request that some consulting services be performed on the Project by persons or firms other than Consultant, through a subcontract with Consultant. Consultant acknowledges that if such services are provided to the City pursuant to a subcontract(s) between Consultant and those who provide such services, Consultant may not utilize any subcontractor(s), or in any way assign its responsibility under this Agreement, without first obtaining the express written consent of the City, which consent may be given or denied in the City's sole discretion. In all cases, processing and payment of billings from subcontractors is solely the responsibility of Consultant.

10.3. Consultant shall be responsible for, and defend, indemnify, and hold the City harmless against, any liability, cost, or damage arising out of Consultant's use of such subcontractor(s) and subcontractor's negligent acts, errors, or omissions. Unless otherwise agreed to, in writing, by the City, Consultant shall require that all of Consultant's subcontractors also comply with, and be subject to, the provisions of this **Section 10** and meet the same insurance requirements of Consultant under this Agreement.

Section 11. Consultant Responsibilities

11.1. Consultant must make prompt payment for any claims for labor, materials, or services furnished to Consultant by any person in connection with this Agreement as such claims become due. Consultant shall not permit any liens or claims to be filed or prosecuted against the City on account of any labor or material furnished to or on behalf of Consultant. If Consultant fails, neglects, or refuses to make prompt payment of any such claim, the City may, but shall not be obligated to, pay such claim to the person furnishing the labor, materials, or services and offset the amount of the payment against funds due or to become due to Consultant under this Agreement. The City may also recover any such amounts directly from Consultant.

11.2. Consultant must comply with all applicable Oregon and federal wage and hour laws, including BOLI wage requirements, if applicable. Consultant shall make all required workers compensation and medical care payments on time. Consultant shall be fully responsible for payment of all employee withholdings required by law, including but not limited to taxes, including payroll, income, Social Security (FICA), and Medicaid. Consultant shall also be fully responsible for payment of salaries, benefits, taxes, Industrial Accident Fund contributions, and all other charges on account of any employees. Consultant shall pay to the Department of Revenue all sums withheld from employees pursuant to ORS 316.167. All costs incident to the hiring of assistants or employees shall be Consultant's responsibility. Consultant shall defend, indemnify, and hold the City harmless from claims for payment of all such expenses.

11.3. No person shall be discriminated against by Consultant or any subcontractor in the performance of this Agreement on the basis of sex, gender, race, color, creed, religion, marital status, age, disability, sexual orientation, gender identity, or national origin. Any violation of this provision shall be grounds for cancellation, termination, or suspension of the Agreement, in whole or in part, by the City. References to "subcontractor" mean a subcontractor at any tier.

Section 12. Indemnity

12.1. Indemnification. Consultant acknowledges responsibility for liability arising out of the performance of this Agreement, and shall defend, indemnify, and hold the City harmless from any and all liability, settlements, loss, costs, and expenses in connection with any action, suit, or claim resulting or allegedly resulting from Consultant's negligent acts, omissions, errors, or willful or reckless misconduct pursuant to this Agreement, or from Consultant's failure to perform its responsibilities as set forth in this Agreement. The review, approval, or acceptance by the City, its Project Manager, or any City employee of documents or other work performed, prepared, or submitted by Consultant shall not be considered a negligent act, error, omission, or willful misconduct on the part of the City, and none of the foregoing shall relieve Consultant of its

responsibility to perform in full conformity with the City’s requirements, as set forth in this Agreement, and to indemnify the City as provided above and to reimburse the City for any and all costs and damages suffered by the City as a result of Consultant’s negligent performance of this Agreement, failure of performance hereunder, violation of state or federal laws, or failure to adhere to the standards of performance and care described in **Subsection 12.2**. Consultant shall defend the City (using legal counsel reasonably acceptable to the City) against any claim that alleges negligent acts, omissions, errors, or willful or reckless misconduct by Consultant. As used herein, the term “Consultant” applies to Consultant and its own agents, employees, and suppliers, and to all of Consultant’s subcontractors, including their agents, employees, and suppliers.

12.2. Standard of Care. In the performance of the Services, Consultant agrees to use at least that degree of care and skill exercised under similar circumstances by reputable members of Consultant’s profession practicing in the Portland metropolitan area. Consultant will re-perform any Services not meeting this standard without additional compensation. Consultant’s re-performance of any Services, even if done at the City’s request, shall not be considered as a limitation or waiver by the City of any other remedies or claims it may have arising out of Consultant’s failure to perform in accordance with the applicable standard of care of this Agreement and within the prescribed timeframe.

Section 13. Insurance

13.1. Insurance Requirements. Consultant shall maintain insurance coverage acceptable to the City in full force and effect throughout the term of this Agreement. Such insurance shall cover all risks arising directly or indirectly out of Consultant’s activities or work hereunder. Any and all agents, contractors, or subcontractors with which Consultant contracts to work on the Services must have insurance that conforms to the insurance requirements in this Agreement. Additionally, if a subcontractor is an engineer, architect, or other professional, Consultant must require the subcontractor to carry Professional Errors and Omissions insurance and must provide to the City proof of such coverage. The amount of insurance carried is in no way a limitation on Consultant’s liability hereunder. The policy or policies maintained by Consultant shall provide at least the following minimum limits and coverages at all times during performance under this Agreement:

13.1.1. Commercial General Liability Insurance. Consultant and all subcontractors shall obtain, at each of their own expense, and keep in effect during the term of this Agreement, comprehensive Commercial General Liability Insurance covering Bodily Injury and Property Damage, written on an “occurrence” form policy. 13.1.2. Professional Errors and Omissions Coverage. Consultant shall maintain this insurance for damages alleged to be as a result of errors, omissions, or negligent acts of Consultant. Such policy shall have a retroactive date effective before the commencement of any work by Consultant on the Services covered by this Agreement, and coverage will remain in force for a period of at least three (3) years after termination of this Agreement.

13.1.3. Business Automobile Liability Insurance. If Consultant or any subcontractors will be using a motor vehicle in the performance of the Services herein, Consultant shall provide the City a certificate indicating that Consultant and its subcontractors have business automobile liability coverage for all owned, hired, and non-owned vehicles. The Combined Single Limit per occurrence shall not be less than **\$2,000,000**.

13.1.4. Workers Compensation Insurance. Consultant, its subcontractors, and all employers providing work, labor, or materials under this Agreement that are subject employers under the Oregon Workers Compensation Law shall comply with ORS 656.017, which requires them to provide workers compensation coverage that satisfies Oregon law for all their subject workers under ORS 656.126. Out-of-state employers must provide Oregon workers compensation coverage for their workers who work at a single location within Oregon for more than thirty (30) days in a calendar year. Consultants who perform work without the assistance or labor of any employee need not obtain such coverage. This shall include Employer's Liability Insurance with coverage limits of not less than **\$500,000** each accident.

13.1.5. Insurance Carrier Rating. Coverages provided by Consultant and its subcontractors must be underwritten by an insurance company deemed acceptable by the City, with an AM Best Rating of A or better. The City reserves the right to reject all or any insurance carrier(s) with a financial rating that is unacceptable to the City.

13.1.6. Additional Insured and Termination Endorsements. The City will be named as an additional insured with respect to Consultant's liabilities hereunder in insurance coverages. Additional Insured coverage under Consultant's Commercial General Liability, Automobile Liability, and Excess Liability Policies, as applicable, will be provided by endorsement. Additional insured coverage shall be for both ongoing operations via ISO Form CG 2010 or its equivalent, and products and completed operations via ISO Form CG 2037 or its equivalent. Coverage shall be Primary and Non-Contributory. Waiver of Subrogation endorsement via ISO Form CG 2404 or its equivalent shall be provided. The following is included as additional insured: "The City of Wilsonville, its elected and appointed officials, officers, agents, employees, and volunteers." An endorsement shall also be provided requiring the insurance carrier to give the City at least thirty (30) days' written notification of any termination or major modification of the insurance policies required hereunder. Consultant must be an

additional insured on the insurance policies obtained by its subcontractors performing work on the Services contemplated under this Agreement.

13.1.7. Certificates of Insurance. As evidence of the insurance coverage required by this Agreement, Consultant shall furnish a Certificate of Insurance to the City. This Agreement shall not be effective until the required certificates and the Additional Insured Endorsements have been received and approved by the City. Consultant agrees that it will not terminate or change its coverage during the term of this Agreement without giving the City at least thirty (30) days' prior advance notice and Consultant will obtain an endorsement from its insurance carrier, in favor of the City, requiring the carrier to notify the City of any termination or change in insurance coverage, as provided above.

13.2. Primary Coverage. The coverage provided by these policies shall be primary, and any other insurance carried by the City is excess. Consultant shall be responsible for any deductible amounts payable under all policies of insurance. If insurance policies are "Claims Made" policies, Consultant will be required to maintain such policies in full force and effect throughout any warranty period.

Section 14. Early Termination; Default

14.1. This Agreement may be terminated prior to the expiration of the agreed upon terms:

14.1.1. By mutual written consent of the parties;

14.1.2. By the City, for any reason, and within its sole discretion, effective upon delivery of written notice to Consultant by mail or in person; or

14.1.3. By Consultant, effective upon seven (7) days' prior written notice in the event of substantial failure by the City to perform in accordance with the terms through no fault of Consultant, where such default is not cured within the seven (7) day period by the City. Withholding of disputed payment is not a default by the City.

14.2. If the City terminates this Agreement, in whole or in part, due to default or failure of Consultant to perform Services in accordance with the Agreement, the City may procure, upon reasonable terms and in a reasonable manner, services similar to those so terminated. In addition to any other remedies the City may have, both at law and in equity, for breach of contract, Consultant shall be liable for all costs and damages incurred by the City as a result of the default by Consultant, including, but not limited to all costs incurred by the City in procuring services from others as needed to complete this Agreement. This Agreement shall be in full force to the extent not terminated by written notice from the City to Consultant. In the event of a default, the City will provide Consultant with written notice of the default and a period of ten (10) days to cure the default. If Consultant notifies the City that it wishes to cure the default but cannot, in good faith, do so within the ten (10) day cure period provided, then the City may elect, in its sole discretion, to extend the cure period to an agreed upon time period, which agreed upon extension must be in writing and signed by the parties prior to the expiration of the cure period. Unless a

written, signed extension has been fully executed by the parties, if Contractor fails to cure prior to expiration of the cure period, the Contract is automatically terminated.

14.3. If the City terminates this Agreement for its own convenience not due to any default by Consultant, payment of Consultant shall be prorated to, and include the day of, termination and shall be in full satisfaction of all claims by Consultant against the City under this Agreement.

14.4. Termination under any provision of this Section shall not affect any right, obligation, or liability of Consultant or the City that accrued prior to such termination. Consultant shall surrender to the City items of work or portions thereof, referred to in **Section 18**, for which Consultant has received payment or the City has made payment.

Section 15. Suspension of Services

The City may suspend, delay, or interrupt all or any part of the Services for such time as the City deems appropriate for its own convenience by giving written notice thereof to Consultant. An adjustment in the time of performance or method of compensation shall be allowed as a result of such delay or suspension unless the reason for the delay is within Consultant's control. The City shall not be responsible for Services performed by any subcontractors after notice of suspension is given by the City to Consultant. Should the City suspend, delay, or interrupt the Services and the suspension is not within Consultant's control, then the City shall extend the time of completion by the length of the delay.

Section 16. Modification/Addendum

Any modification of the provisions of this Agreement shall not be enforceable unless reduced to writing and signed by both the City and Consultant. A modification is a written document, contemporaneously executed by the City and Consultant, which increases or decreases the cost to the City over the agreed Compensation Amount in **Section 4** of this Agreement, or changes or modifies the Scope of Work or the time for performance. No modification shall be binding or effective until executed, in writing, by both Consultant and the City. In the event Consultant receives any communication of whatsoever nature from the City, which communication Consultant contends gives rise to any modification of this Agreement, Consultant shall, within five (5) days after receipt, make a written request for modification to the City's Project Manager in the form of an Addendum. Consultant's failure to submit such written request for modification in the form of an Addendum shall be the basis for refusal by the City to treat said communication as a basis for modification or to allow such modification. In connection with any modification to this Agreement affecting any change in price, Consultant shall submit a complete breakdown of labor, material, equipment, and other costs. If Consultant incurs additional costs or devotes additional time on Project tasks, the City shall be responsible for payment of only those additional costs for which it has agreed to pay under a signed Addendum. To be enforceable, the Addendum must describe with particularity the nature of the change, any delay in time the Addendum will cause, or any increase or decrease in the Compensation Amount. The Addendum must be signed and dated by both Consultant and the City before the Addendum may be implemented.

Section 17. Access to Records

The City shall have access, upon request, to such books, documents, receipts, papers, and records of Consultant as are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcripts during the term of this Agreement and for a period of four (4) years after termination of the Agreement, unless the City specifically requests an extension. This clause shall survive the expiration, completion, or termination of this Agreement.

Section 18. Property of the City

All documents, reports, and research gathered or prepared by Consultant under this Agreement, including but not limited to spreadsheets, charts, graphs, drawings, modeling, maps, data generation, papers, diaries, and inspection reports, shall be the exclusive property of the City and shall be delivered to the City prior to final payment. Any statutory or common law rights to such property held by Consultant as creator of such work shall be conveyed to the City upon request without additional compensation.

Section 19. Notices

Any notice required or permitted under this Agreement shall be in writing and shall be given when actually delivered in person or forty-eight (48) hours after having been deposited in the United States mail as certified or registered mail, addressed to the addresses set forth below, or to such other address as one party may indicate by written notice to the other party.

Section 20. Miscellaneous Provisions

20.1. Integration. This Agreement, including all exhibits attached hereto, contains the entire and integrated agreement between the parties and supersedes all prior written or oral discussions, representations, or agreements. In case of conflict among these or any other documents, the provisions of this Agreement shall control, and the terms most favorable to the City, within the City’s sole discretion, will apply.

20.2. Legal Effect and Assignment. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors, and assigns. This Agreement may be enforced by an action at law or in equity.

20.3. No Assignment. Consultant may not assign this Agreement, nor delegate the performance of any obligations hereunder, unless agreed to in advance and in writing by the City.

20.4. Adherence to Law. In the performance of this Agreement, Consultant shall adhere to all applicable federal, state, and local laws (including the Wilsonville Code and Public Works Standards), including but not limited to laws, rules, regulations, and policies concerning employer and employee relationships, workers compensation, and minimum and prevailing wage requirements. Any certificates, licenses, or permits that Consultant is required by law to obtain or maintain in order to perform the Services described on **Exhibit A**, shall be obtained and maintained throughout the term of this Agreement.

20.5. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Oregon, regardless of any conflicts of laws. All contractual provisions required by ORS Chapters 279A, 279B, 279C, and related Oregon Administrative Rules to be included in public agreements are hereby incorporated by reference and shall become a part of this Agreement as if fully set forth herein.

20.6. Jurisdiction. Jurisdiction and venue for any dispute will be in Clackamas County Circuit Court.

20.7. Legal Action/Attorney Fees. If a suit, action, or other proceeding of any nature whatsoever (including any proceeding under the U.S. Bankruptcy Code) is instituted in connection with any controversy arising out of this Agreement or to interpret or enforce any rights or obligations hereunder, the prevailing party shall be entitled to recover attorney, paralegal, accountant, and other expert fees and all other fees, costs, and expenses actually incurred and reasonably necessary in connection therewith, as determined by the court or body at trial or on any appeal or review, in addition to all other amounts provided by law. If the City is required to seek legal assistance to enforce any term of this Agreement, such fees shall include all of the above fees, whether or not a proceeding is initiated. Payment of all such fees shall also apply to any administrative proceeding, trial, and/or any appeal or petition for review.

20.8. Nonwaiver. Failure by either party at any time to require performance by the other party of any of the provisions of this Agreement shall in no way affect the party's rights hereunder to enforce the same, nor shall any waiver by the party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this nonwaiver clause.

20.9. Severability. If any provision of this Agreement is found to be void or unenforceable to any extent, it is the intent of the parties that the rest of the Agreement shall remain in full force and effect, to the greatest extent allowed by law.

20.10. Modification. This Agreement may not be modified except by written instrument executed by Consultant and the City.

20.11. Time of the Essence. Time is expressly made of the essence in the performance of this Agreement.

20.12. Calculation of Time. Except where the reference is to business days, all periods of time referred to herein shall include Saturdays, Sundays, and legal holidays in the State of Oregon, except that if the last day of any period falls on any Saturday, Sunday, or legal holiday observed by the City, the period shall be extended to include the next day which is not a Saturday, Sunday, or legal holiday. Where the reference is to business days, periods of time referred to herein shall exclude Saturdays, Sundays, and legal holidays observed by the City. Whenever a time period is set forth in days in this Agreement, the first day from which the designated period of time begins to run shall not be included.

20.13. Headings. Any titles of the sections of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

20.14. Number, Gender and Captions. In construing this Agreement, it is understood that, if the context so requires, the singular pronoun shall be taken to mean and include the plural, the masculine, the feminine and the neuter, and that, generally, all grammatical changes shall be made, assumed, and implied to individuals and/or corporations and partnerships. All captions and paragraph headings used herein are intended solely for convenience of reference and shall in no way limit any of the provisions of this Agreement.

20.15. Good Faith and Reasonableness. The parties intend that the obligations of good faith and fair dealing apply to this Agreement generally and that no negative inferences be drawn by the absence of an explicit obligation to be reasonable in any portion of this Agreement. The obligation to be reasonable shall only be negated if arbitrariness is clearly and explicitly permitted as to the specific item in question, such as in the case of where this Agreement gives the City “sole discretion” or the City is allowed to make a decision in its “sole judgment.”

20.16. Other Necessary Acts. Each party shall execute and deliver to the other all such further instruments and documents as may be reasonably necessary to carry out this Agreement in order to provide and secure to the other parties the full and complete enjoyment of rights and privileges hereunder.

20.17. Interpretation. As a further condition of this Agreement, the City and Consultant acknowledge that this Agreement shall be deemed and construed to have been prepared mutually by each party and it shall be expressly agreed that any uncertainty or ambiguity existing therein shall not be construed against any party. In the event that any party shall take an action, whether judicial or otherwise, to enforce or interpret any of the terms of the Agreement, the prevailing party shall be entitled to recover from the other party all expenses which it may reasonably incur in taking such action, including attorney fees and costs, whether incurred in a court of law or otherwise.

20.18. Entire Agreement. This Agreement and all documents attached to this Agreement represent the entire agreement between the parties.

20.19. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall constitute an original Agreement but all of which together shall constitute one and the same instrument.

20.20. Authority. Each party signing on behalf of Consultant and the City hereby warrants actual authority to bind their respective party.

The Consultant and the City hereby agree to all provisions of this Agreement.
