Temporary Changes to Library Item Due Dates & Holds

To reduce the impact on library users during the time the building is closed, we've taken a number of steps:

- Due dates on all checked-out materials will be extended until at least two weeks after we re-open
- Pick up dates for holds have been extended until at least one week after we re-open.

This means that library users can keep their checked out items for the duration of the closure without accruing any overdue fines.

Also, items on hold that were waiting for pickup when the library closed will still be on our shelves for library users to pick up for at least a week after we re-open.

Collection Changes Happening

Inside the library, we now have the opportunity to clean up and refine our collections.

Library staff are going through our book, audio, and video collections and taking a thorough inventory of all library items. They are making sure that all items are in good condition and in the correct location, as well as moving some collections to better areas.

We're also changing some collections. Coming soon are new Picture Book

topics and new adult non-fiction reader-friendly sections, like 'Travel' for travel guidebooks.

With the increased use of online library resources, we are constantly adding to

our digital collection. More e-books and e-audiobooks are coming, as well as online magazines and movies!

New furniture is planned to replace our twenty year-old furniture, which we hope to have soon.

When we re-open, library users will find a refreshed library and collections waiting to be explored.
