

City of Wilsonville Section 6409 (a) Eligibility Worksheet

PURPOSE: This worksheet serves to assist the applicant and the City of Wilsonville to determine whether a proposed collocation or modification to an existing base station or wireless facility qualifies as an eligible facilities request and/or would cause a substantial change as defined by the FCC.

INSTRUCTIONS: Applicants must complete this worksheet and submit it with an application for a permit to collocate or modify transmission equipment on an existing base station or wireless facility in the public rights-of-way submitted for approval pursuant to Section 6409(a) of the Middle Class Tax Relief and Job Creation Act of 2012 (47 U.S.C. § 1455(a)). The Planning Division may deem any application without a completed worksheet incomplete. If a response to any question requires additional space, applicants may attach additional pages to this worksheet so long as the responses are clearly labeled with the number that corresponds with the question. Questions about this worksheet should be submitted to the Planning Division.
